JCR-5

Issuance of Addenda

December 1973

October 1975, May 1977, October 1994, October 1999

Recommendations:

1. If addenda are necessary, they should be issued as soon as possible, but in any event, not later than four (4) working days before receipt of bids.
2. When addendum requires major or extensive changes, an appropriate extension of the bidding period should be granted.

Comments:

In order that the architect may have sufficient time to prepare any necessary addenda, it is requested that all inquiries be made in time to reach the architect at least five (5) working days before receipt of bids.

End of JCR-5

This recommendation is the result of considerable discussion and deliberation by the Architect and General Contractor members of the Joint Cooperative Committee of AIA North Carolina and the Carolinas AGC. While its provisions are not binding on individual Architects or General Contractors, the committee believes that adherence to the recommendations will benefit the Owner and the Construction Industry in general.
